## **Stuppy Greenhouse hires new Regional Sales Manager to the Pacific Northwest**

*Jack Maruna joins Stuppy's Sales Team.*

**NORTH KANSAS CITY, MO:** (October 2, 2023) — Stuppy Greenhouse, Inc. announces an addition to its sales team with the hire of Jack Maruna as the new PNW Regional Sales Manager.

A graduate of the Agricultural Business and Economics program at Auburn University, Jack has been involved in the growing industry since 2018. He brings expertise in working with IPM systems and growing consultation, particularly at the intersection of the greenhouse and culinary industries, where he has experience working with high-end restaurants and chefs. Jack has a passion for food and horticulture, and he also enjoys running, hiking, backpacking and traveling, having visited nine different countries over the past two years. Bringing that enthusiasm for adventure to Stuppy, Jack shared, "I am very impressed by the people, culture and reputation they have built over the past 150 years, and I'm proud to be a part of the team."

Jack is located in the Seattle, WA area and will serve customers in the Pacific Northwest.

He can be reached at 816-947-1822 or by email at [jmaruna@stuppy.com](mailto:jmaruna@stuppy.com).
